

Every year, Victory Churches Canada raises funds to feed the poor and those in need in many nations around the world. This event is highly anticipated and an incredible blessing to children and their families. Widows who are unable to work due to age, disabilities and more are blessed with donations of food, clothing, or basic needs. Street children from the slums of India come up in droves to receive a hot meal. Orphaned children in many nations of Africa look forward to this event every year! Most importantly, we hear story after story of those who give their life to Christ and come into relationship with him.

Isaiah 58:10 NLT gives us a command to: "Feed the hungry and help those in need..."

According to recent stats, as many as **1 in 5** people go hungry everyday. Last year, we were able to raise over \$23,000 to fight hunger and bring a salvation message to thousands of street kids, widows and orphans. We fed approximately 12,000 people through your generous donations!
