UNITED KINGDOM

Covid-19 can't stop us, the world must be saved so off we go on a world mission! Our first stop in England was a great success as we ministered in Victory Church Rugeley UK.

A great work being accomplished through Pastors Michael, Samuel and Jane and the amazing congregation. Leadership development Saturday, outreach to Moms and their children Wednesdays, Trustee meeting, Garden Parties to welcome new comers and church service to mention just a few. Sad to say good bye to our pastor friends for now as we flew from the UK to Kenya after a short but action packed week in the UK.

KENYA

Once again, great things are happening in Kenya as we ministered with Bishop Joshua and Catherine Oyaro to their many pastors and leaders in Kisii, Kenya.

These churches will begin a Victory Bible College in September to train up leaders and build new leaders for the future growth which is evident. Excitement filled the air as we poured our hearts out to these dedicated leaders who are ready to join Victory Churches of Kenya. We are better together!

KENYA

We went with the Social Worker to do visitation with the families who have children in transition back into their families. Encouraging and praying → for these poorer families and helping them to see hope for the future. Our team are wonderful and we thank CEO Francis Ager and the staff for their loyal commitment to the vision.

← The Home and School are having a face lift as each building and class rooms are being painted . It is time to place our concentration on Primary School and build big people from a very young age. Church service was amazing with all the dancing and singing along with powerful preaching and alter ministry by Drs George and Hazel and Pastor David Omolo!

KENYA

Moving on to Nairobi Kenya, where we had the pleasure of setting in a new pastor in the Victory Church in Utawala, a suburb of Nairobi. It is great to see young men and women answering the call. We welcome Pastor Ben and Winnie Wise Chege to the Victory Family of Churches in Kenya, as Senior Pastors of a great church relaunch! Thank you Bishop Julius Ndirangu and the team for an amazing victorious celebration.

ZAMBIA

Now on to Zambia to meet with Victory Churches of Zambia and our UK Missionaries to Zambia, Pastors Alex and Vicky Coetzee. They are true missionaries and doing an amazing job!

First we met and caught up with all that was happening in Victory Zambia, followed by an amazing National Conference where we had the privilege of ordaining and setting in our new National Victory Leader, Bishop Francis Sichivula and the board of VCIZ.

Teaching to Senior leaders under the mango tree where that Victory Church first started was amazing. The pastors were hungry and ready for the 'new day' prophecies during the conference! A new Bishop, a new day with the Victory vision stronger than ever.
